From the weight room to the recovery room, Ecore empowers human performance with safe, quiet and ergonomic flooring. Our team is driven by the question: can a floor do more? For Ecore, the answer is “yes.” We design and manufacture pro-performance surfaces engineered to help energize the people above them. Built on a legacy that began in 1871, our team designs innovative solutions for many industries, including healthcare, hospitality, wellness, sports, and fitness. Ecore, headquartered in Lancaster, PA, serves athletic and commercial flooring customers in more than 75 countries. Learn more at www.ecoreintl.com.
